2. [REDACTED] has been in the employ of the Foreign Broadcast Information Branch since November 16, 1942, and is at present performing the duties of Multi-Monitor, CAF-9, \$4525.80. His intimate knowledge of FBIB editorial and monitoring operations from the standpoint of both field and departmental requirements, his fluency in the Romance languages and his excellent educational background recommend him highly for one of the supervisory positions of Information & Editorial Specialist, CAF-11, at the East Coast Bureau. It is therefore requested that this reassignment and promotion be made effective at the earliest opportunity.
